Marvin Tooman Retires As Health Facilities Division Administrator

DES MOINES, IOWA (July 19, 2005) – Marvin Tooman, Administrator of the Health Facilities Division of the Iowa Department of Inspections and Appeals (DIA), is retiring from state employment. His last day with the Department is July 27, 2005. Tooman joined DIA in February 2000.

“The administrator’s position is a key voice in relaying to stakeholders the Division's regulatory charge,” DIA Director Steve Young said. “Marvin did it well and will be missed.”

Young announced that J Bennett would assume the position of Acting Division Administrator effective July 28, 2005. Bennett has been with the Health Facilities Division since March 1983 and served as Division Administrator prior to Tooman.

“Those wishing to express best wishes to Marvin are encouraged to contact him,” the Director added.
